Genie Forklift

Genie Forklift Training London - Genie Industries prides itself with the belief of lifting people and resources higher, extending beyond the products they manufacture. A global business that is greatly tied to their customers and enjoys reflecting the spirit of partnership with all they achieve. Genie Industries strives to help clientele erect their business no matter how large or small the level of undertaking may be.

The inauguration of the Genie Hoist in 1996, a pneumatic, portable materials lift initiated the beginning of Genie Industries. A succession of aerial work platforms and additional materials lift trucks followed to satisfy customer demand. These progressive goods secured universal acknowledgment and established state-of-the-art product design.

Genie Industries is presently a subsidiary of Terex Corporation. Sustaining leading quality manufacturing and uncompromising service and support are among their top priorities. With clients from Helsinki to Hong Kong and Denver to Dubai requesting the unique blue coloured lifts on the jobsite, the company is self-assuredly grounded in their exceptional customer service and values. Acknowledging that their consumers are their greatest inspiration, the team at Genie Industries are individually dedicated to offering expertise and maintaining customer rapport.

The trustworthy team is fully committed to greener, more environmentally practical options to advance the products that customers want. Genie Industries focuses on "lean manufacturing" practices in order to help diminish waste while building very high quality lift trucks in the shortest time period at the lowest workable expense for the customer. The team at Genie Industries is proud to serve the industry and this is mirrored in every product they manufacture. Always inviting customer contribution enables them to manufacture and develop innovative new products that are simple to service and use, provide optimum value-for-cost and satisfy global standards. Thriving on customer feedback enables Genie Industries to repetitively evolve and satisfy the consumers' needs.

Genie service experts understand the importance of uptime. They are readily available to satisfy inquiries and offer solutions. Their expansive components network will promptly ship components to ensure their customers' machinery are operating effectively. Each product comes backed by a competitive and reliable warranty.

Genie Industries prides itself on consumer success. They build and service their products to boost performance and uptime on the job. Delivering on-going instruction opportunities, to marketing support to adaptable financing possibilities, Genie Industries offers their customers the tools to get the most out of their purchase.
