Nissan Forklift

Nissan Forklift Training London - Nissan takes great pleasure in achieving overall client satisfaction, when their consumer is experiencing one of their many products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to providing high value and detail-oriented quality standards to their clients. Incorporating a prosperous heritage combined with solid production principals, Nissan Forklifts offer a few of the best materials handling equipment the industry has to offer.

In order to meet the worldwide wishes of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Committed to delivering consumer support, the business has four distinct production facilities that allow them to persistently adapt to their consumers continually evolving wishes by providing an assortment of innovative ideas and concepts.

The Nissan Lift truck North and South American center is stationed in Marengo, Illinois. A loyal team of 350 personnel is committed to the support, design and fabrication of their products. Operating under the ISO-9001 and ISO-14001 certifications, enables every sector of the Nissan Forklift Corporation to maintain environmental accountability by utilizing techniques that diminish the worldwide impact of their goods and processes. These high values remind consumers that Nissan operates under the quality seal that their customers insist upon while being an environmentally responsive company.

Nissan is quite confident that any of their consumers questions and client considerations directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, contacting one of their community sanctioned dealers or even going to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their warmth and dedication.
